Mr. Wayne Criddle  
State Engineer  
State Capitol Building  
Salt Lake City, Utah

Dear Sir:

The Warren Irrigation Company respectfully requests that you determine the priority and amounts of the various water rights on Four Mile Creek and Mill Creek which are tributaries to the Weber River in Weber County.

Right holders may include but may not be limited to the following: Warren Irrigation Company, Smout Holley Ditch Company, Richardson Cowan Ditch Company, W. A. Skeen, W. J. Taylor, Elmer Taylor, and Charles Heslop.

We also request that the State Engineer determine which Water Commissioner has jurisdiction on these waters.

Sincerely,

BOARD OF DIRECTORS  
WARREN IRRIGATION COMPANY

*Harold M. Thompson*  
Harold M. Thompson, President

J. Maurice Skeen, Secretary-Treasurer.
